

## **BlueStone Crab Cakes**

- Preheat oven to 450 degrees.
- Leave crab cake on patty paper and place on oven-safe pan.
- Place crab cakes in center of the oven, bake until golden brown. Approx. 8-12 mins. (Cooking time varies depending on your oven, as every oven is different.)
- Enjoy!

*Please Note: All reheated food should reach an internal temperature of 165F*

*Contains: Shellfish, Egg, Soy*
